The camp also included a large-scale Cleanliness Drive focused on public spaces and schools, aiming to maintain a healthier and cleaner environment. In an effort to inspire creativity among young minds, an art competition was organized for local school students, who enthusiastically participated and showcased their artistic talents. Moreover, yoga sessions were conducted to promote physical and mental well-being among villagers.

Girijananda Chowdhury University continues to uphold its commitment to education and community service, actively engaging with local populations to foster sustainable development.

The successful execution of this Special Camp serves as a testament to GCU's dedication to social responsibility and its mission to bring meaningful change to society.
